

Dear Parents,

We've heard you!

As a result of the feedback we've received from you about our Uniform Policy, we've made a couple of minor adjustments that will have major impact for you. These changes are effective immediately. You'll be glad to know that:

- 1) Chinos, turtlenecks and oxford shirts may be purchased from any vendor you choose **provided that the clothes are of the same style, color, and cut as those from our approved vendors.**

- 2) **Lands' End School**, in addition to **Flynn & O'Hara**, is now an approved PMCA uniform supplier!

Lands' End School

There are several reasons why we chose to add Lands' End School as a preferred vendor:

1. the brand recognition of a national company
2. the high quality of clothing
3. competitive pricing
4. an excellent reputation for service
5. a return policy called **Guaranteed. Period.®**
Returns are accepted for any size issue or product defect even if the item has been embroidered, washed or worn.
6. convenience and variety of shopping venues including:
 - Catalog by phone or mail
 - Shop online at www.landsend.com/school
 - Lands' End Shop @Sears stores
*The LE Shop @Sears stores may not carry items in our specific PMCA uniform code, but you may try on and order clothes from the kiosk at those stores. When your order is placed in this manner, you will receive **free shipping** to your home.*

When ordering, please refer to the Preferred School number specific to PMCA: **900136698**. By using this number, you will see only the clothing styles and colors that are available to our school families.

*The PMCA preferred school number is: **900136698**.*

LANDS' END SCHOOL
