

## Multi-Class Tuition Packages for Home-School Students

Phil-Mont welcomes home schooling families who wish to send their Middle and High School children to select classes. These families follow the same application process as full-time students. Class size limitations, prerequisites, and academic readiness standards apply. The tuition for a single class is equal to the annual full-time tuition rate divided by seven, \$2,111 for High School, and \$1,864 for Middle School. However, multi-class discounts are available. (For purposes of these tuition calculations, “academic” classes are any Phil-Mont classes other than Art, Choir, Band, Physical Education, or Bible.)

### High School Multi-Class Discount

First Class: \$2,000

Second Class or Third Academic Class: \$1,500

Add Art, Choir, Band, or Bible for \$1,200 or Physical Education for \$1,000

\*Those who register for three academic classes may add Bible for FREE

### Middle School Multi-Class Discount

First Class: \$1,800

Second Class or Third Academic Class: \$1,300

Add Art, Band, Physical Education, or Bible: \$800

\*Those who register for three academic classes may add Bible for FREE

**Example 1:** John is a freshman home schooler. He registers for three classes at Phil-Mont: Geometry, Biology, and Basic Art. His tuition is \$4,700 per school year.

**Example 2:** Sarah is a sophomore home schooler. She registers for four classes at Phil-Mont: Algebra 2, Chemistry, Spanish 2, and Bible. Her tuition is \$5,000.

**Example 3:** Micai is an eighth grader. He registers for three classes at Phil-Mont: Language Arts, Algebra, and Physical Education. His tuition is \$3,900.

Multi-child discounts, Variable Tuition, and other financial assistance are not available to part-time students. However, payment plans may be set up using the same options as for full-time students. There is an activities fee of \$150 for Middle School and \$200 for High School. New students pay an application/registration fee of \$100.
