## PREPARATION FOR LIFE

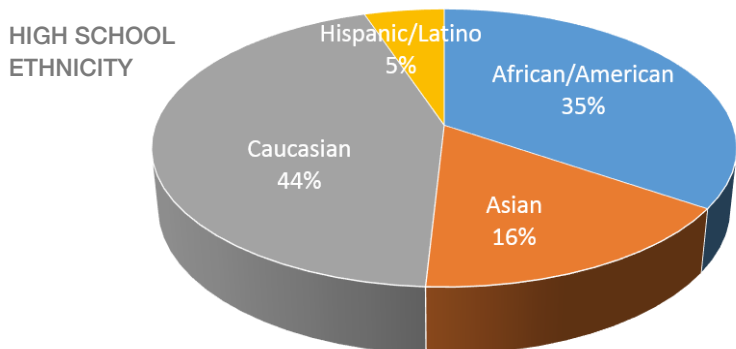

**Academics** - High performing educational structure for students who want to learn, want to do well, and strive to be well-rounded individuals. Our teachers are skilled professionals with years of experience and the ability/time to work with students who want more or need more. As the backbone of our accredited academy, our faculty love the Lord and His church, and seek to foster real relationships with their students. **98%** of our graduates go on to college or university.

**Phil-Mont has been educating covenant children since 1943**

Arts - Theater, music, and visual art; Phil-Mont has so many artistic opportunities. Some graduates go on to major in performing arts, music, or design, and while some schools have reduced their arts emphasis, we have been expanding ours. Our recent graduates are working in music, art design, and even performing on Broadway.

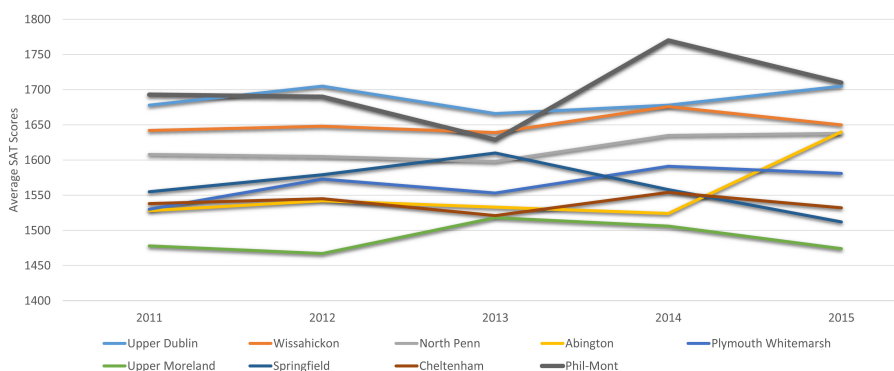

Athletics - Phil-Mont maintains highly competitive sports teams for being a small school. Our basketball teams have had great success recently, playing in the PA state tournament, and winning the league (BAL) and districts (District 1) on multiple occasions. Team sports include: Soccer, Cross Country, Wrestling, Tennis, Basketball, Track & Field, Baseball, and Softball. Some of these are open for both Varsity and JV. We also let our athletes participate in our theater program. About **80%** of our high school students participate in some extracurricular activity. We encourage students to engage and become well rounded at glorifying God with their gifts & talents.

**Phil-Mont students are taught by godly teachers to think critically about the world in which we live from a biblical perspective. Christian doctrine, Christian ethics and Christian thought is weaved into all the subject matters.**

## "In Quotes"

Phil-Mont is a great school which challenged me both in my faith and my academics. What Phil-Mont did best, however, was preparing me for college. I know so much more about life, principles, and how to live a life please to God.

- Kevin, recent alumnus

I love the school. I am so glad I chose Phil-Mont for my daughter. I would highly recommend Phil-Mont Christian Academy to anyone looking for a great education in a loving Christian atmosphere.
